

LED LIGHTING UPGRADE – GYMNASIUM

IN THIS ISSUE

## Gymnasium / Exterior LED Lighting Upgrade

### Scope of Work

To retrofit the Centre Wellington High School Gymnasium Lighting and Exterior Lighting to an energy efficient LED system complete with Lighting Control System.

**FM Supply** teamed up with Gross Sales, Hubbell Lighting, and Roberts Onsite to install a best in class lighting system to meet the needs of the Centre Wellington Ravens and the Wellington District School Boards energy savings initiative.

### Products Used

The gymnasium lighting system is comprised of **Hubbell's LLHV4 LED** Highbay fixture with a Douglas Lighting Control System.

The exterior lighting system is comprised of the **Beacon Viper** and the **Hubbell Lighting LMC** series wall packs.

### Exterior Lighting
